+ Issue 17- Term 4 Week 5 Attention:

Tuesday 9<sup>th</sup> November 2010

## Principal Message

*Dear Parents and Community member,*

**Thank you** to all the parents who helped out during the Snowy Ride and with transport to Numeralla. Both days were very successful. Without your help these days would not run as they did.

**Attendance-** During week 5 the departments Home School Liaison Officer, Mrs Gerri Leake visited our school to check out attendance rate which is a legal requirement of every school. Our results were very good. Please continue to send in notes for absent days. Mrs Leake did ask if parents could write down reasons for partial absences in the sign in/out book so we can record these. Please find attached some information about regular school attendance. Within the brochure there is a list of acceptable absences to write down. Thank you again for the great work you are already doing.

**Last week of term-** During the year the Department of Education and Training announced that there will be *two additional professional development days at the end of each school year*. These days fall on the **16<sup>th</sup> December and 17<sup>th</sup> December**. **There will be no students at school on these days**. All the staff will be participating in professional development and planning on these two days. This will include a session at Berridale on Councillor testing, collegial planning of Adaminaby's writing program, training in Information Technology and professional development on the Quality Teaching framework.

**No Electronic Devices-** Please remind your child not to bring any electronic devices to school, as they could get lost or broken. By electronic devices we mean electronic games, mobiles, iPods, MP3 players.

Please contact the school if you have any concerns on 6454 2265, or email me at [mark.wyatt@det.nsw.edu.au](mailto:mark.wyatt@det.nsw.edu.au).

Regards

Mark Wyatt
