

Week 10 Term 2 Update

Dear Parents and Community,

Community Bush Dance- Thank you to all the parents, grandparents and community members that attended the Community Bush Dance. Everyone looked as if they enjoyed themselves. I know the musicians had a wonderful time. We raised \$379.85 on the night which will go towards the school's music program. Thank you to Judith Marriott for organizing the event and to everyone who helped raise these funds.

Reading Challenge Reminder- At the end of each term we celebrate the student's successes in reading at home with a reward day. We will have our reward day on Tuesday 29th June. All parents are welcome to attend the reward day and help out with the hamburgers at lunch time. Student who do not complete their challenge will have school work to complete on the day.

School Report- Reports will be given out at the end of this week and interviews will commence in week 11. Please send in your requested time so you can be timetabled for an interview.

John Joseph Brain Theory- On Thursday 1st June some students will be attending an excursion to Nimmitabel to learn about the brain and how it works. If you would like your student (Year 4-6) to attend please send in the permission form.

Sydney Conservatory School of Music- The conservatory of music will be attending the school between 2-3pm on Thursday 1st June for all students left at the school. This will be a fantastic opportunity for students to learn more about music and musical instruments.

Skiing- We are planning on having our first day of skiing on Friday 2nd July. Please ensure your child has been measured for skis and has appropriate clothing. If the snow condition or weather is poor we will indicate through a note that it is cancelled.

Active After Schools Sport- Active After Schools Sports will continue at the School of Arts Hall. Students can be picked up at 4:45. Any parents that would like to come along to the adult class please feel free. It will begin at 4:45 to 5:45 and will cost \$5 per person.
