

Week 2 Term 3 Update

Dear Parents and Community,

Education Week- Next week is education week. We have a range of activities planned and all are welcome to attend.

On **Monday 2nd August** we will have open classes during our maths session (11:45-1:15pm). Students will be participating in mathematical activities from all strands, and then will be participating in group activities in the library. After mathematics there will be a Picnic with parents and community members who wish to come along. Please BYO. After school we will be starting Gymnastics as part of our Active After School Sports program.

On **Wednesday 4th August** at 4pm the school will be conducting a workshop 'Mathematics in School'. In this session we will be talking about what we teach in mathematics, how we assess students progress and some hands on practical activities.

On **Thursday 5th August** we will be visiting Bredbo PS for an author visit. Gus Gordon has illustrated over 60 books including Boyz Rule, Aussie Bites and Nibbles and has also written a range of books. Information on Gus can be found online at <http://www.laterallearning.com/authors/gordon.html>. After school Karate will be starting again for the term.

Friday 6th August will be our last day of Skiing. This will draw a close to our skiing program for another year.

All are welcome to attend these events and see what wonderful things are happening at our local school.

Skiing- will continue to Friday 30th July. Please ensure students have all their equipment for the day.

Active After Schools Sport- will start in Week 3. Gymnastics will start on Monday 2nd August at 3:15 and will finish at the hall at 4:45pm. On Thursday 5th August at 3:15 Karate will start again for the term and will finish at 4:45 at the hall. On both days a healthy afternoon snack will be offered.

Picking Up Children- I would like to advise you that between now and November there may be trucks passing through the car park at the school to take building supplies to the Catholic Church site. At this stage we are going to monitor the situation to make sure it is safe for children to be dropped off and picked up. We may have to make alternate arrangements if it becomes unsafe.

Author Visit Excursion to Bredbo- Just a reminder that the school will be participating in an excursion to Bredbo on Thursday 5th August. If you would like your child to attend this excursion **please ensure the note has been returned to the school**. Departure for the excursion will be 8:30 that morning. *There will be no bus run on this morning but there will be a bus run in the afternoon*

Please contact the school if you have any questions or queries. We are all more than happy to discuss these in a mutually suitable time. Please phone the school on **6454 2265** or email me at mark.wyatt@det.nsw.edu.au
