

Week 4 Term 3 Update

Dear Parents and Community,

Thank you- Thank you to all the parents that attended our education week celebrations. I hope you enjoyed seeing what the children are doing at school. I would also like to thank all the parents that helped with skiing, to make this year's skiing program go very smoothly.

Bush Dance Workshop- On Friday 13th August 6 schools will be participating in workshop activities, including the Billy Tea Bush Band bush dance workshop. Mrs Judith Marriott will be running a music workshop for all grades and Mrs Shannan Slavestro will be organizing art activities. *We will need parent helpers for the BBQ lunch on the day. Lunch will start at 12:30 so helpers will be needed before this time to set up and cook. All parents are welcome to attend the workshops throughout the day.*

Lunch Orders- There will be a \$5 lunch package for Friday. Please find the order form attached at return to the school so it can be purchased for the day. **Orders must be in by tomorrow, Wednesday.**

Active After Schools Sport- Gymnastics- Mondays 3:15 until 4:45. Karate 3:15 until 4:45.

Attendance- Parents do a wonderful job of signing students in and out of school and sending in notes for absences. Please continue to do a wonderful job.

Picking Up Children- I would like to advise you that between now and November there may be trucks passing through the car park at the school to take building supplies to the Catholic Church site. At this stage we are going to monitor the situation to make sure it is safe for children to be dropped off and picked up. We may have to make alternate arrangements if it becomes unsafe.

Maths Workshop- During education week, on Wednesday 4th August, the school offered an information session on mathematics. Unfortunately no parents attended, however we would like to offer the information session again. If you are interested could you please fill in the brief survey attached.

Surveys- Over the next term the school will conduct surveys, interviews and focus groups to get an indication of its performance and school community satisfaction. I would like to ask if you could take some time out of your busy schedules to participate in these evaluation processes.

P and C- The P and C will be having a meeting at the Snow Goose at 5:30pm on Tuesday 10th August (tonight).

Maths Information Session/ Workshop Survey

The school is offering an information session on mathematics in school, which will outline briefly what we teach, how we teach mathematics and some hands on activities you can use with your children from Kindergarten through to year 8. There will also be an opportunity to give feedback on what you would like to know about mathematics.

We offered our first session on Wednesday 4th August (during education week) but unfortunately no-one attended this information session.

We would like to offer this opportunity again, but would like to have an indication of who would be interested. If you are interested please fill in the slip below and return to the school by Friday 20th August.

Yes I would like to attend an information session on mathematics in schools.
