

Cross Country

Our school cross country run is scheduled for this Friday, 25th March. Kindergartens and Year 1 will have a short course around the school. The 8/9 and 10 year olds do a 2 km course and the 11 and 12 year old age divisions run the 3 km course. As we have to leave school grounds and have students running along the water tank road, we will need some assistance from parents, to spread out along the course on checkpoints. If you are able to come in at 12:30pm and spend an hour helping please let me know before Friday. Your help would be very much appreciated. I envisage that we need 4 or 5 parents/helpers to run the event.

The next level of competition will be the District Carnival at Nimmitabel on Friday 1st April. This event is only for the 8 year olds and above. The younger students will remain at school with Ms Thomson. **All** of the senior class are expected to attend, as well as the 8 year olds in year 2. Information and permission notes for this event were sent out with last week's newsletter and it would be appreciated if they could be completed and returned to school ASAP.

Assembly

There will be an assembly this Friday, 25th March, at 2:40pm in the library. Members of the senior class will be presenting some work and Jeremy is giving the special presentation. All members of the community are invited to attend.

Excursion and Reward Day

We have decided to combine an excursion, which will enhance the learning that has taken place this term, and a reward day activity, to celebrate all of the great work that students have been doing this term. A visit has been planned to the National Museum of Australia in Canberra. This is a great way to consolidate and compliment the theme 'Being Australian'. Following our museum visit we will have lunch and a play at Weston Park. Attached you will find further information and a permission note.

Easter Fair

Easter fair meetings are 6pm on Mondays, at the Bowling Club. The up-coming meeting dates are:
28th March
4th April
11th April
18th April
