Principal's Message

We have some aspiring architects, engineers, builders and interior decorators in our school at the moment. As you are passing by the school I invite you all to inspect the amazing 'leaf fort' that the children have built underneath the play equipment. It has certainly kept everyone busy and led to some interesting problem solving particularly when trying to keep the walls in position!

Cooking with Roman

On Thursday we have a local chef Roman Bogatek coming in to cook with us. This is part of our products and services unit. Students will also be involved in preparing a menu and serving the meal, that they will create. Roman will be back again on Thursday 16th June for a second session.

Mobile Library

The Monaro Library Bookmobile visits the school every second week. We would like to encourage students to borrow from it and we will arrange for students to visit the Library on those days. If your child has a borrowing card please send it into school. If your child does not have a borrowing card please let us know and we can get the form for you to apply for one. The Library would also like to remind the community that the service is there for the entire community to use.

Staff Development Day

Please make sure that you mark on your calendars that Friday 10th June is a Staff Development Day and there will be no teachers at school.

Teaching staff will be attending a course at Cooma North Public School, along with other staff from schools in our area.

Assembly

There will be an assembly this week on Friday in the library at 2:40pm.

Jump Rope for Heart

Our Jump Rope Jump Off day was very successful. All students participated, as well as some enthusiastic mums and a grandma!

We had a lovely lunch afterwards and I would like to extend a big thank you to all of the students who returned their sponsorship forms, and raised some money for the Heart Foundation. We raised a total of \$1054. Fantastic!!

Monday Munchies

Everyone is enjoying Monday Munchies!!

When making goodies could everyone please notify the school if their products contain nuts. Thank you

School Skiing Program

It's getting chilly and we've already had some snow, so we are starting to plan our school skiing program. This year we are planning to have 3 days at Mt Selwyn followed by 1 day in Thredbo. I have included an expression of interest with this newsletter, to get an idea of numbers of participants. It would be great if everyone could return this form so that I can get a clear idea on your thoughts. Thank you.

Book Fair

Thank you to all of the families who supported the book fair, we raised \$620 which will enable us to purchase more books for our library.

P & C

The next P & C meeting is on the 7th June at 5:30pm in the school library. Participation in the P & C is a great way to support your school!
