Well done to all students who participated in the athletics carnival last Wednesday. After a very chilly start it turned into a lovely day. ## **Habits of Mind**

Students will be travelling to Nimmitabel on Thursday 9<sup>th</sup> June. On this day we will join together with some of the other small schools. Years 3 to 6 will be doing a workshop with an international presenter Karen Boyes on the Habits of Mind. Habits of Mind are the characteristics of what intelligent people do when they are confronted with problems and challenged by something that they do not immediately know the answer to. Information sheets for parents are available from the front office if you are keen to learn more.

While the older students are busy with their workshop, the K – 2 group will be participating in a soccer coaching clinic and will be video-conferencing a marine animal expert in Alaska!

Please fill in the attached permission note.
