Principal's Message

I can't quite believe that it is the last week of term already. The year seems to be flying by.

I hope that everyone has a good break and will be ready for another term of learning when we return on **Tuesday 19th July**. Monday 18th is a Staff Development day and teachers will be attending a workshop hosted by Cooma North Public School.

Cooma North School Visit

This week we will be visiting Cooma North Public School. This will be an important day to give our students an experience to be a part of a single stage classroom. We will also incorporate a visit to the Monaro Regional Library in the morning to tie in with our Products and Services theme.

Students in the **K-2 group** have been invited to **dress in pyjamas**, as this is Cooma North's theme for the day in the Stage 1 classrooms.

Travel will be by private transport.

Students not mentioned above have not returned a note, so I have been unable to organise travel plans for those students at this time.

If your child requires a car seat and is travelling with someone else, please make sure that you provide a seat for your child.

Can families driving other students please meet at the school and depart by 8:30am. If other arrangements are made between you and your driver – eg a pick from home, please inform the school of your arrangement (just so we will know that no one has been left behind).

Once in Cooma we will meet at the Library for a 9:15am start. We will leave the library at 9:50am to arrive at Cooma North Public School at 10am.

Thankyou to all volunteer drivers, your help is appreciated.

Chocolate fundraiser

Boxes of chocolate for sale for P&C fundraising are now available for pick up at the Snowy Mountains Holiday Centre. Please see Heidi Brayshaw.

School Skiing Program

Please remember to hand in your School Skiing Program notes. The program will consist of 4 days

skiing, and will include 3 days at Selwyn Snowfields and 1 day at Thredbo. The P & C has generously donated \$2000 to the school skiing program to help defray the cost to families. This year we will be trialling the use of private transport to get kids up the mountain.

The dates for school skiing are Selwyn: 22nd July, 29th July, 5th August and Thredbo 26th August.

We are able to book tickets for adults at Selwyn Snowfields and purchase them at a special local school's group rate, if booked by the school. Tickets for adults are \$58 and include a lesson. If you would like to take advantage of this deal please notify the school and pay at the school office 2 days prior to the ski day.

Monday Munchies

Thank you to everyone who has supported Monday Munchies. This has been a very successful program and is now something that the students look forward to.

Our next Munchies will be in Term 3.

A new timetable will be issued early in Term 3 to keep this successful program going!

Monaro Small Schools Arts Festival

We have started preparations for our performance that will be a part of the Monaro Small Schools Arts Festival. As we will only have just over 2 weeks to get our performance practised and polished, we will be doing some intensive rehearsals when we return after the holidays. The performance will be held at Monaro High School, in their hall, on Wednesday 3rd August at 5:30 pm. All students from our school will be participating.

Peer Support Leaders Training

Following our successful training day last year for Peer Support, Cooma North Public School have asked us to join them again. The Stage 3 students have the opportunity to travel to Cooma on Wednesday the 20th July in week 1. Please see note attached.

Leaf Mulch For Sale

Our students have continued to be enterprising following the successful construction of the leaf fort. Realising that the leaf fort would not last forever and that no one would be around in the holidays to care for it, they decided it would be a great idea to dismantle the fort, bundle up the leaves, and sell bags of 'leaf mulch' for people's gardens. The kids are selling bags of leaves for \$1.50.

Please call into school before the end of term if you would like to buy some from them.

They thought that they would use any money raised to buy some plants for the garden.

Recent Notes Handed Out

| Note | Return to school by: |
|--------------|-----------------------|
| Skiing Note | 19th July |
| Peer support | 19 th July |
