Principal's Message

We had an interesting visit to Nimmitabel last week. We had to brave a blizzard and drive through the snow to get to our workshop with Karen Boyes. The Habits of Mind

Workshop was well worth it though with our students joining in with enthusiasm and learning about the 16 habits that successful people have, that help them to be successful people. We focused on several of these habits, such as persisting, thinking flexibly, thinking about our thinking and finding humour.

Teachers around the Monaro were lucky enough to hear Karen speak again on Friday, and there were many ideas from this session that we can implement into our classrooms.

Berridale Charlie and the Chocolate Factory Day

Berridale has invited us to join them at their school next week to watch the movie version of Charlie and the Chocolate Factory together, as we have all been reading this terrific book, as part of our Products and Services topic. We will also utilise some of the Thinking Tools that we have been using during Thinking Groups to help us to examine both the book and the movie.

Please fill in the permission note and return to school.

Cooma North School Visit

Our other school visit that we have planned for the final week of term is our trip to Cooma North School. This will be an important day to give our students an experience to be a single stage classroom. We will also incorporate a visit to Monaro Regional Library in the morning to tie in with our Products and Services theme.

The permission note is attached and needs to be filled in and returned to school.

Chocolate fundraiser

Boxes of chocolate for sale for P&C fundraising are now available for pick up at the Snowy Mountains Holiday Centre. Please see Heidi Brayshaw.

School Skiing Program

Thank you to all of the families who returned surveys to the school regarding skiing. From these expressions of interest and from discussions at the last P & C meeting, our details for the skiing program has been finalised. The program will consist of 4 days, and will include 3 days at Selwyn Snowfields and 1 day at Thredbo. The P & C has generously donated \$2000 to the school skiing program to help defray the cost to families. This year we will be trialling the use of private transport to get kids up the mountain.

An information and permission note will be sent home as soon as I have confirmation of a date from Thredbo.

Cooking with Roman

Our favourite chef Roman is with us again this week, on Thursday. The second group of students will get their turn in the kitchen. Please note that as there will be plenty of food for everyone to eat, and this meal will be served for lunch, students will not need to bring lunch to school on this day. However all students will still need to bring fruit for fruit break and something for recess.

Parent Teacher Interviews

Parent Teacher Interviews will be held at the end of Week 9 and the beginning of Week 10. To book an appointment time, please fill in the attached booking sheet and return as soon as possible.

Monday Munchies

Everyone is enjoying Monday Munchies!!

Coming up on the roster:

Monday 20th June :

Monday 27th June:

Monaro Small Schools Arts Festival

This year the small schools are combining to produce a fantastic concert to entertain our

communities and give a glowing example of what public education can achieve. Our school will be participating by performing a dance/drama piece that we will start learning and rehearsing in the following weeks. The performance will be held at Monaro High School, in their hall, on Wednesday 3rd August at 5:30 pm. All students from our school will be participating.

Upcoming Events

Day	Date	Event
