Principal's Message

We had a very successful 'Tree Day'. Fourteen trees were donated by the Snowy River Shire Council and the students helped to plant the trees around the grounds. The students did a fantastic job digging holes and planting. They now have the ongoing task of looking after their trees. A huge thank you to Gil Kolve, for being our 'tree planting consultant', as well as getting hands on and assisting with the planting and to Kelly Horsfall for being such a great hole digger that she had blisters to prove it!

No Hat No Play

Please ensure that your child has a hat to wear at school. With sunnier days upon us the 'no hat, no play', policy is enforced. Hats need to be worn during recess and lunch times, as well as during other outdoors activities such as fitness and sport.

Active After School Sports

After School Sport will continue to run next term. We will be doing tennis on Monday afternoons. Permission forms will be handed out in week 1 next term.

There is a flyer attached regarding a coaching course that you can do for free and then entitles you to run an After School Sports session. As a community coach you can run an After School Sports program and get paid to do it! Please pass this along to anyone who you think may be interested.

Monday Munchies

Please note there will be no Monday Munchies on the first day back. Munchies will start again in week 2.

Assembly

There will be an assembly this week on Friday 23rd September.

Cooba Transition Camp

This year students in Year 5 & 6 will have the opportunity to attend a two day camp at Cooba, Berridale on Thursday 20th October – Friday 21st October 2011.

Notes were handed out with the last newsletter.

These notes need to be returned by Friday.

Families need to pay \$55 per student to attend the camp.

Museum Opening

The Museum opening is on the Saturday the 15th October and the school has been asked to participate in the event. Students from Adaminaby Public School will be singing the National Anthem. I would like to have as many of the students there to represent our school as possible. Please look out for the details regarding this event in the first week back to school.

Puzzles Wanted

Mrs Hain would like to make a request for donations of used jigsaw puzzles, 300 – 500 pieces to be sent to Cameroon in Africa, to support African children. Donations can be brought into school and would be greatly appreciated.

Direct Debits

We will be giving families an alternate way to send money into school. We are able to offer families the ability to direct debit money to the school's bank account for payments that they need to make to the school for things such as excursions. The details will be made available on up-coming notes where this payment method is available.

Upcoming Events
