Term 4 Week 7

Tuesday 20th November 2012

Dubbo Excursion

The Dubbo excursion was a great success. Not only did we learn many amazing things we also had a fun time. Students were well behaved and represented our school with pride. Students have written recounts of the week and a few have been published with our newsletter for you to enjoy.

After School Sports

There will be no bowls for After School Sport tomorrow, 21st November. Students will go home after school as on 'normal afternoons'. Bowls will be back on next week.

Book Fair

The Book Fair is on once again. The books have been on display and students have had a chance to browse. Books may be purchased tomorrow from 8:45 to 3pm. The book fair is a great way for kids to purchase their own books for home and it also raises money, which allows us to purchase new books for our fantastic library.

SunSmart at Adaminaby Public School

It is that time of the year when all students are required, by our school's policy, to wear a hat when playing outdoors. Please ensure that your child has a hat at school everyday. Children who have not got a hat on will be asked to play under the C.O.L.A. As part of school uniform students are required to wear a navy blue wide brimmed hat or navy blue bucket hat.

Monday Munchies

Munchies are 30 cents for one item and 50 cents for two.

The roster for the next 2 munchies days is as follows:

26 th November	
3 rd December	

Assembly

A whole school assembly will be held this Friday at 2:45pm in the library.

Year 6 Farewell Disco

There will be a celebration disco to farewell Ibrahim as he moves on to high school on Wednesday 5th December – more details will be announced next week....

Presentation Night

The school's presentation night will be held on Wednesday 12th December at 6:30pm in the Adaminaby School of Arts Hall. All students need to arrive by 6:15, dressed in full summer school uniform.

New Playground Equipment

You may have noticed that the playground is looking a little different at the moment. We have ordered some new climbing equipment that will replace the old metal monkey bars, which unfortunately had to be removed in keeping with the current safety guidelines. The old equipment will be still part of our school grounds – so look out for them....they will probably become a garden feature!!

We were hoping that the new equipment was going to be installed while we were away at Dubbo. However there has been a delay with the manufacture of the equipment and we have just been advised that the new delivery date will be at the end of the month. The equipment will then be installed and new mulch will be placed around both the new and old equipment.

I would like to extend a huge thankyou to Kelly and Graham Kennedy for bringing in their machinery and digging out all of the old mulch in preparation for the new material. I believe we had a few good helpers on some shovels as well (thankyou Rob Carter and kids!!)

Kindy Orientation

We have had our new kindergarten students for 2013 visiting us over the last few weeks. They have one more visit this Wednesday. While the new

kindy students are busy in the classroom I will have a meeting with the new kindy parents at 11:30am. I will go over some of the information you need to know about our school and our routines and parents will have a chance to ask any questions that they would like to clear up as well. This session is very handy for new families.

Upcoming Events

Day	Date	Event
Wednesday	5 th December	Monaro High transition day for year 6
Wednesday	5 th December	Year 6 farewell disco
Wednesday	12 th December	Presentation Night
