Term 4 Week 4

Tuesday 29th October 2013

Homework Projects

Our latest homework projects are due this week. I have informed students that they may have this weekend to finish off their projects ready to be handed in by Monday.

Students also have regular nightly home reading and spelling words to practise... yes we are keeping them very busy with their learning!

Read-a-thon

My sincere thanks to the three students who handed in their read-a-thon money. They are to be congratulated on their tremendous effort and I know their effort will be appreciated in Mbessa, a village near Bamenda in Cameroon, West Africa.

I am keen to finalise this fundraiser and it is not too late to hand in money raised. Donations are graciously accepted and I can assure you that funds will be fully utilised in a most beneficial way to support this reading scheme for adult women.
