Term 1 Week 6

Tuesday 5th March 2012

Welcome to week six! Hasn't the time flown.

Good luck Swimmers

Well done to our amazing athletes who will be swimming in the regional carnival today in Dapto. We wish you great success and hope you have fun representing our school and region.

New Kitchen/Garden program with Stephanie Alexander

Yes, we are now members of the Stephanie Alexander kitchen garden community. This means that we have the privilege to work alongside hundreds of specially chosen schools from across the state in exploring the process involved in eating. From growing and harvesting to the preparing and sharing of many different tasty foods we certainly are in for a treat.

This program will be a great opportunity to incorporate learning in subjects such as English, Maths, Science, History and languages into hands on and real-life contexts where positive and memorable food experiences are the goal. Last week Mr Bogatek and Mr Nash zoomed off to Sydney to undertake two days of training with the Stephanie Alexander team and have returned with lots of inspiring information and fun new ideas.

Over the next few weeks we will be setting up our new kitchen and garden program. We will be welcoming volunteers, as there is a lot of work to be done. More information will be sent your way as this process occurs.

The Chooks

For those of you who have not heard we are now the proud carers of six lovely hens. Every student has been doing a wonderful job looking after them, and as a result they have settled in very nicely. In return we now have plenty of fresh eggs. Some will be sold at the local markets, others of course will be cooked into delicious meals prepared by the students. A big thanks to Jim and Elizabeth Fletcher for their generosity.

Lunch Order Day

Monday is once again lunch order day. Students put their orders in the blue basket in the office on a Monday morning.

Monday Munchies

Munchies are 30 cents for one item and 50 cents for two.

Next up on the roster is:
