Term 1 Week 8

Tuesday 20th March 2012

Bringing notes and money to school

We have set up a letter box in the office which you will find on the office counter. All notes and money that need to be handed into the school can now go into this letterbox. This will be a more orderly system and ensure that these items don't get misplaced or buried under something else!

Arthur Conlon Artist Visit

Our Arthur Conlon visit was very successful. Students were able to produce their own artwork after a workshop with Arthur. They also participated in painting three amazing murals on the wall under our C.O.L.A.

Cross Country

We had a sensational day for our school cross country. We had amazing support from the community, with many people attending to cheer on the kids. I could hear cheering all the way up at the top of the hill.

Our next event for cross country will be the district at Nimmitabel. All students turning 8 this year and older will be participating on the 27th March. Younger students or students not able to participate will have a normal day at school.

Permission notes for this trip went out last week and need to be returned to school by next Tuesday.

Easter Fair

The Easter Fair is fast approaching – Saturday the 30th March. The P & C organise a great wood auction for this event, as one of their fundraisers. Loads of wood need to be lined up in the street for the auction at 12pm.

A reminder that this year students will need to make their hats for the Easter Bonnet Parade at home as we will not have a chance at school with so many other things happening in the week leading up to Easter.

Last week we started our kitchen garden program. The students were sorted into 2 groups. Group 1 cooked for the school and group 2 got out into the garden. Here is a short summary of what the kids got up to (in their own words)...

Cooking group:

'Last week we made a spinach quiche. The quiche was made by students, and was a filling lunch for everyone. The quiche had bacon, cheese, onion and of course the all important spinach, which came from our own garden.'

'We also made a delicious salad, with lettuce, mixed leaves, and hand picked tomatoes from our school vegie patch. So all in all, a beautiful lunch, and we can't wait for another cooking class!!!' by Yasmin

Garden Group

'In the garden we pulled out some weeds and filled up the compost. We made a worm farm. We worked on clearing out the green house so that we can pick it up and move it to a better spot. We also used some of the vegetables to cook with' by Jacob
