Tuesday 11th November 2014

P&C Fundraising

This is a big time of the year for the P&C, with a lot of fundraising activities happening. Next up is the catering for the BBQ. If you can spare some time on the day please let Ineke know the times when you are available and she can try to formulate a roster.

Another P&C fundraiser will be the end of year Christmas raffle. You can start to help by sending in treats that could go into a hamper. Donations can be sent into the school office.

Save the Date

Presentation night will be on Thursday 11th December. Mark this on your calendars now – more details as the evening gets closer.

Little Mermaid DVD

The DVD for our fantastic school performance has finally been edited and is now in the process of being burnt to discs. Hopefully we will have them ready to distribute to families by the end of the week. All families will be given one DVD. If you need an extra for another family member please let me know. If you can donate \$10 to the school to assist with the costs associated with this it would be graciously accepted.

Monday Munchies

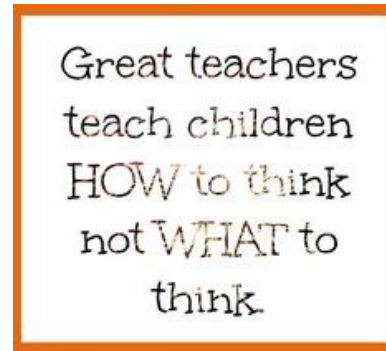

Next up on the roster:

13 November

10th November

Munchies are 30 cents for one item and 50 cents for two.

Don't forget to check the school's facebook page regularly. We are finding it the best way to share news and the successes of our students.

Stewart House Fundraiser

We have small high-bounce handballs for sale. They are \$1.50 each and the money raised goes towards Stewart House which supports disadvantaged students. Bring money to the office to buy your balls!

Eggs for Sale

Fresh farm eggs are \$5 a dozen and can be purchased from the school office, all money goes towards our Stephanie Alexander Kitchen Garden Program to purchase ingredients. Thanks for your help.

Stephanie Alexander Kitchen Garden

Thursday 20th November will be the next Kitchen Garden day. The 3-5 class will be cooking, so will not need to supply their own lunch that day. The K-2 students will be in the garden and will need to bring their lunch to school. Last week we cooked our first harvest of artichokes ... check out our haul from the garden.....
