Term 2 Week 8

Tuesday 17th June 2014

Parent Teacher Interviews

Parent Teacher interviews will be conducted next week on Wednesday, during school hours, and Thursday afternoon. Booking forms were sent home to arrange a time with each family, and we will do our best to accommodate everyone, but we are finding that there are some 'popular times' that everyone wants, so I apologise if you didn't get your first preference. At the interview we will discuss your child's progress and look at what goals need to be set next, in order for your child to keep progressing with their learning. We will also discuss any other issues, such as social skills and behaviour. It is also a great time to chat about any other concerns that you might be having.

Whole School Skiing Program

The skiing program has been organised and the note handed out. Permission notes need to be returned by **Wednesday 25th June** (please note that the note said Friday 25th June I don't know how I came up with that one? – my apologies)

The first ski day is at Selwyn on Thursday 17th July. All money needs to be paid to the school prior to the first day of skiing. A more detailed note on lesson times and what to bring will be issued on the first day back at school next term, before the first skiing day.

School Contribution

If you haven't yet paid your school contribution this is now due and we would appreciate your payment. The school contribution is \$40 for 1 child and \$80 for 2 or more children at the school. Thank you

Embroidered names

If anyone is interested in getting their kids names embroidered onto jumpers, beanies, hats etc, you can call Ruth Cox, who will provide this service for you.

Cost: Up to 4 letters - \$3
Up to 7 letters - \$5

Ruth can be contacted on 0429 840 394. What a great way to keep track of your belongings!

Monday Munchies

Next up on the roster:

23rd June

Munchies are 30 cents for one item and 50 cents for two.

Assembly

The next assembly is Thursday 26th June.

Kitchen Garden

The next Kitchen Garden day is Thursday 26th June. The 3-6 class will be cooking and feasting. The K-2 group will do some garden activities in the middle session and will need to bring their own lunch that day.

Landcare and WaterWatch

We had a very successful visit from Anna and Antia, who led our group to the morass, and showed us how to investigate the cleanliness of the water, by determining what 'bugs' were present in the water. We discovered that the water was very clean and healthy! It was a fantastic morning, with the students being very engaged and very interested doing their scientific study. There are some great photos on our Facebook page for you to see.
